PRIASoft (Panchayati Raj Institutions Accounting Software) provides a single software for all three tiers of Panchayats. The Panchayats are the main users of the system on a day-to-day basis for

1. Managing Bank and Treasury Accounts.
2. Manage Cheque books of banks and treasury accounts.
3. The Opening and Closing balance details are to be entered. For subsequent years, the opening and closing balances are automatically calculated.
4. The budget estimates are to be entered by each Panchayat twice in a year.
